& devotion.

Welcoming environment

Unconditional love
and forgiveness. Family.
A safe place. The place (church)
where we know we are
together - not alone. Village.

It is important because it "lives" by
the values it stands for and vice versa.

There are so many
people committed to
the various ministries.

1. Welcoming and accepting of all people.
2. Showing Christ's Love for all people, without conditions.
(non-conditional love)

Excellent use of
technology to reach
out to people who are
unable or unwilling to
attend in person

the fact that we are
open and affirming and thus
a beacon of hope and love.
plus all the family ministries
that we have

St. Paul's strength is that it
welcomes everyone & makes
you feel welcome.
